

OUR GOAL: Many of the brand name products you'll find on the commercial market can also be purchased through our Acquisition Center but with the benefit of low, best value prices. As an added value, our low prices include delivery costs. We are bringing you solutions with more brand name products, without brand name prices, and state-of-the-art products that can beat the competition!

SLEEP WELL WITH OUR NEW FOSSFILL FIRE RESISTANT PREMIUM BED PILLOW

For soothing sleep, our new polyolefin-filled bed pillow is perfect! This standard size pillow is filled with non-allergenic, fire resistant, polyolefin filler (very thin, irregularly shredded polyolefin film) specifically designed to simulate the light, fluffy quality of down. The re-fluffable, washable pillow is covered with fire retardant white cotton plain weave ticking. Each pillow is permanently labeled with care and washing instructions. The filler passes California TB 117 Cigarette Resistance Test. NIB makes this luxurious, odor free, non-allergenic, non-toxic pillow.

GSA'S CHAMP OFFERS ONE-TIME-ONLY (OTO) SERVICES

GSA's Centralized Household Goods Traffic Management Program (CHAMP) offers one-time-only (OTO) services to Federal agencies in two situations. The first situation involves requesting discounted transportation rates to/from any state or country not covered under CHAMP. The second scenario occurs when there is not a carrier available to move an agency's shipment. These special OTO requests can be for any shipment of household goods, privately owned vehicles, and/or unaccompanied air baggage when a permanent change of station is authorized and based on the agency and employee needs. GSA distributes the OTO requirements electronically via the Internet, solicits the rates, consolidates responses from carriers, and distributes all solicitations received back to the agency.

The agency then selects the appropriate carrier to use for the specific relocation. If you have special OTO needs, contact the Property and Traffic Management Division in Kansas City, Missouri.
